

Independent Midway Application Procedures

Anytime after October 20, 2011, mail us a packet which includes the following:

- A letter of intent listing what you wish to sell, display or exhibit. Be specific with your list of products.
- Pictures of your display and details of your product line(s), including your website, if you have one.
- A list of fairs and/or trade shows you have participated in.
- The amount of space you require for your display and whether you desire indoor or outdoor space.
- Your phone number and e-mail address.

Send all the information above to:

Fryeburg Fair
Attention: Midway Dept.
1154 Main Street, PO Box 78
Fryeburg, ME 04037

We will review applications during the winter and spring and will begin to fill available spaces sometime during late spring.

NOTE: We do not hold applications from year to year and no vendor space is “grandfathered”, therefore, it is necessary for all vendors to reapply each year. Only items that are listed in your application or contract can be sold. Any additional items must have approval of the Superintendent prior to the Fair.
