

2011 SACO VALLEY WOODSMEN'S FIELD DAY

Fryeburg Fair

Fryeburg, Maine

August 1, 2011

Dear Woodsmen's Day Contestant:

It is nearing the time again for the greatest Woodsmen's Day Celebration in Maine held at Fryeburg Fair. Hope you all will be returning to join us for celebration of the 44th Saco Valley Annual Woodsmen's Field Day. The Date is October 3, 2011.

Please, if you have not already done so last year, would you write a brief history of what you do for a living; do you own your own forestry or logging company; how you got into Woodsman Day competitions; what competitions you take part in each year; what contests you have set records in and where; how many years have you been competing. (Dave has requested that I do this again so he has some new information for the audience during the competitions.) Thanks for your help.

Just a few housekeeping rules or additions that are in for 2011.

All results are final at the end of the show. Any concerns must be expressed during the show. Only official time sheets will be used. NO videos, pictures, etc will be considered.

***Contestants must sign-up and compete in 3 other track events to be eligible for a tree.

***All woodsmen events except Axe events (chop, tree fell and springboard) will start on "GO". Axe events will start when axe strikes wood. In chainsaw events hands will be placed on timber and not removed until "GO". Early movement or removal of logging tool will result in disqualification.

***Water Boiling contest: This will be a random draw of ten contestants. Only one axe may be used.

(See all rules in booklet.)

***Please remember to read the little booklet to check all the contests, rules, regulations.

***If you want to be considered for a Champion you must enter and compete in all the qualifying events for the Championship listed in booklet.
